

# ***VILLAGE OF BENNET***

## ***COMPREHENSIVE DEVELOPMENT PLAN 1995***

CERTIFICATE OF ADOPTION

Pursuant to the requirements of Chapter 17, Article 4 and 10, Chapter 19, Article 9 and Chapter 79, Article 4, of the Nebraska State Statutes as amended, regarding the adoption of the Comprehensive Plan, including official controls, said Comprehensive Plan has been duly recommended for adoption by the Bennet Planning Commission and has been duly adopted by ordinance of the Bennet Village Board as the official Comprehensive Plan for Bennet, Nebraska, for the purpose of protecting and guiding the physical development of the community; to secure safety, from fire and other dangers; to protect the tax base; to encourage a distribution of population, roads, water supply, drainage, sanitation, education, recreation, or other public requirements; to lessen governmental expenditures, to lessen governmental expenditures, to conserve and develop natural resources; and to foster the area's agriculture or other industries. All maps, charts, or other descriptive matter accompanying this document and all other matters intended to form the whole or part here of are made a part of this document the same as if set forth in full herein.

Recommended for adoption this \_\_\_\_\_ day of \_\_\_\_\_, 1997, A.D., by the Bennet Planning Commission.

SIGNED \_\_\_\_\_  
Chairperson,  
Bennet Planning Commission

ATTEST \_\_\_\_\_  
Secretary,  
Bennet Planning Commission

ADOPTED this \_\_\_\_\_ day of \_\_\_\_\_, 1997, A.D., by the Bennet Village Board, Bennet, Nebraska.

SIGNED \_\_\_\_\_  
Chairperson,  
Village of Bennet, Nebraska

ATTEST \_\_\_\_\_  
Village Clerk  
Village of Bennet, Nebraska

*Bennet is our home. Together we face the changes of the past few decades that have affected many rural communities. These changes can create new opportunities for better living when approached in a positive frame of mind. Growth and development is encouraged and fostered where a balance exists among private property rights, use of natural resources, public investment in community facilities and services, and protection of the natural environment for our continued sustenance.*
